

Skincare Service Menu

Facial Treatments -

Each facial, enzyme, or peel is unique and fully customized to skin type and what the clients' skin needs on the day of service and combine relaxation and results. Includes dual cleansing of the face, neck, & decollate, exfoliation, customized mask & massage, finishing vitamin c serums, hydration, and SPF. Only professional skincare products by Lira Clinical, Image Skincare, and Dawn Lorraine Organics (with active ingredients) are used and retailed that can only be purchased from a licensed esthetician.
